Subject: Willamette needs cleanup that's good for business

I'm writing because I want to make sure you know that we want a clean river.

If this EPA plans goes forward with a big price tag, our small companies that work on the river will never be able to afford the bills you will send them. We're asking that you please consider what the impacts on the environment but also on employers and taxpayers.

Thank you for your service to our country. I know you'll do the right thing to protect our health and our jobs.

Sincerely,
